SEL 101 RECOMMENDED RESOURCES

Building Connections Webinar: <https://casel.org/weekly-webinars/>

From CASEL

- [SEL 101 Presentation Template](#) - This presentation can be adapted and used to introduce SEL to staff, families, and community partners. It gives an overview of what SEL is, why it's important, and the process for schoolwide SEL. Talking points and activity instructions are provided in the notes section.
- [The CASEL Framework](#) - You can take a closer look at the CASEL wheel here, and download a summary handout and a reflection protocol to use with your colleagues and community members.
- Two introductory videos:
 - [SEL 101: What are the core competencies and key settings?](#) - This video summarizes the CASEL framework (a.k.a. "the Wheel") for SEL.
 - [What is social and emotional learning?](#) - CASEL is joined by educators, students, parents, and community leaders to answer this question.
- [Indicators of Schoolwide SEL](#) - These ten indicators describe what you might expect to see in a school that is implementing SEL systemically over time.
- [Engage all Stakeholders in Foundational Learning](#) - Looking for more guidance and ideas for getting to know SEL better with your school community? This section of the CASEL Guide to Schoolwide SEL has more resources and a tool for planning foundational learning experiences.
