

Demystifying System Social & Emotional Learning: Continuous Improvement

PANELISTS' RECOMMENDED RESOURCES

Webinar Series, Part 8 of 10

- [Demystifying Systemic SEL: Continuous Improvement](#) - Access the recording, presentation deck, and resources from part seven of this webinar series.

From CASEL

- [Systems for Continuous Improvement](#) (CASEL & ThinkTV PBS; 8:59)
Learn about the systems used to support school level teams in monthly data meetings, and how to include teachers, families, and students in the process for reflecting quarterly on the data and discussing how to adjust and move forward. This video is part of a series that provides practical applications for educators pursuing schoolwide SEL.
- [CASEL District SEL Implementation Rubric](#)
This tool helps district leaders self-assess, set goals, collect data, and reflect on progress toward implementing district-wide SEL.
- [CASEL Schoolwide SEL Implementation Rubric](#)
This tool helps school community members self-assess, set goals, collect data, and reflect on progress toward implementing schoolwide SEL.
- [CASEL Process for Developing a Shared Vision and Plan for CI](#)
This guide outlines the process for establishing a shared vision, developing aligned SEL goals, conducting a needs and resource assessment, and drafting implementation and evaluation plans.
- [CASEL Schoolwide Progress Tracker](#)
This suite of tools helps schools track progress toward schoolwide SEL implementation, including methods for collecting data to inform CI.

From Dr. Jill Bryant, Assistant Director of Social Emotional Learning, Portland Public Schools

- [Graduate Profile](#)
Previous CASEL webinar about Portland's work on the Portrait of a Graduate
- [PPS SEL Home Page](#)
Within the SEL Home Site are resources for Lessons & Curriculum, SEL Pilot Program Information, Professional Development Opportunities for Staff and more

From Dr. Brittney Williams, Continuous Improvement Specialist, CASEL

- [Tools for District-level Analysis and CI](#)
CASEL's guidance for school districts outlines strong data collection and reflection practices and a process for engaging students, families, community partners, and staff in data reflection for continuous improvement.
